# COVID-19 Memorabilia

Include things like photos of gas prices, the local grocery stores, signage of stores that are closed due to social-distancing, playgrounds that are taped off, newspaper clippings, and anything else that you see in the world around you. You are experiencing history in the making!

# What is social distancing? Why do people wear masks?

Write your experiences below. Explain what social distancing is, why people are wearing masks, what is a quarantine or shelter-in-place, what is an essential job or worker, or anything else that is different today because of COVID-19.

Two columns of horizontal lines for writing, providing space for students to describe their experiences with social distancing, masks, and other COVID-19 related topics.

# How I Spend My Time at Home

Since most of the country is staying safe at home during the pandemic, how are you spending your time?

## How My Schooling Has Changed:

## New Things I Have Learned at Home:

---

---

---

---

---

---

---

---

---

---

---

---

---

# Special Occasions

What special events happened while in quarantine? Did you celebrate a holiday, anniversary, or a birthday? Share how you celebrated these days.

Event	Date	How We Celebrated

# Interview Your Parents

Your parents have never lived through a pandemic of this nature before either - interview them and see how things have changed for them as well.
